**President**

Robert Hoekwater  
Electrical Inspector  
City of Wyoming

Honorable committee members,

I am Robert Hoekwater, and I am currently the President of the Michigan Chapter of the International Association of Electrical Inspectors.

**First Vice-President**

Walt Stoddard  
Inspector Member  
Underwriters Laboratories  
9500 Sterling Road  
Litchfield, MI 49252

I understand and support the consolidation of all the different trade laws into one law however I am concerned with several sections of the current Electrical Administrative Law not being included in the current proposed legislation. Sections regarding continuing education for renewal of licensure as well as requirements for an electrical inspector to be licensed as an electrician as well as others have been omitted.

**Second Vice-President**

Scott Weaver  
Inspector Member  
City of East Lansing  
410 Abbott Road  
East Lansing, MI 48823

I would hope the committee would reach out to the organizations that represent these tradespersons to help assure that all portions of the current law be inserted into the proposed law.

Thank You

**Third Vice-President**

Pat Falzon  
Inspector Member  
Canton Township  
1150 Canton Center S.  
Canton, MI 48188
